REPORT OF THE ACTIVITIES OF THE ANTI-RAGGING COMMITTEE 2020-2021

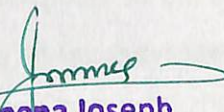

The ARC of the college was reconstituted with the following members in the first general staff meeting of the academic year held on 06/08/2020 :

1. Dr. Sr. Jaseena Joseph, Principal
2. Dr. Shanthi Vijayan, Teacher Representative
3. Mr. I. K. Biju, PTA President
4. Mr. Pradeep Kumar N, College Office Superintend
5. Ms. Sreelakshmi C.K., Dept. of English, I Year Representative
6. Ms. Anjana R., Dept. of Psychology, II Year Representative
7. Ms. Aneena Vincent, Dept. of Physics, III Year Representative
8. Ms. K.P. Heera, Dept. of Computer Science, PG Representative.

The ARC met on 01/09/2020 virtually via Gmeet and discussed the action plan for the year. The mode of instruction having shifted to online platforms on account of the pandemic, it was decided not to burden students with additional online lectures/awareness programmes on ragging. Lockdown and subsequent exposure to laptop/mobile screens have taken a toll on their mental/physical welfare. Considering this, the ARC decided that one tutorial hour should be set aside to make the students aware of the ethical and legal questions around the inhuman practice of ragging. The Anti-Ragging Policy document available in the college website, which provides an elaborate account of the working of the ARC, shall be explained to the students. The ARC followed up the conduct of these tutorials with the HoDs of each department reporting to the committee soon after each tutorial hour was completed.

The Covid-19 scenario denied everyone an active social life throughout the year and offline campus education got partially scheduled from January 2021. Being the fag of the academic year, in the changed circumstances, the ARC found no point in circulating the hardcopy of Anti-Ragging affidavit compulsorily as done annually in the previous years and resolved to wait till the campus goes back to regular activities offline. Also, as anticipated, the ARC received no complaints this year.

The ARC met on 10/08/2021 virtually via Gmeet and discussed the action plan for the year. The committee members expressed satisfaction regarding the conduct of the awareness programmes carried out during the previous year and suggested the same may be followed this year too. The mode of instruction having shifted to online platforms on account of the pandemic, it was decided not to burden students with additional online lectures/awareness programmes on ragging. Lockdown and subsequent exposure to laptop/mobile screens have taken a toll on their mental/physical welfare. Considering this, the ARC decided that one tutorial hour should be set aside to make the students aware of the ethical and legal questions around the inhuman practice of ragging. The Anti-Ragging Policy document available in the college website, which provides an elaborate account of the working of the ARC, shall be explained to the students. The ARC followed up the conduct of these tutorials with the HoDs of each department reporting to the committee soon after each tutorial hour was completed.

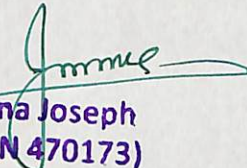

The Covid-19 scenario denied everyone an active social life throughout the year and offline campus education got partially scheduled from October 2021. Being the fag end of the academic year, in the changed circumstances, the ARC found no point in circulating the hardcopy of Anti-Ragging affidavit compulsorily as done annually in the previous years and resolved to wait till the campus goes back to regular activities offline. On June 8, 2022 an anti-

ragging awareness session for the teaching faculty was carried out with the Principal Dr. Sr. Jaseena Joseph and the IQAC Co-ordinator Dr. Minoo Divakaran as the resource persons. After the resource persons delivered their formal addresses, the teachers discussed ragging in general and the change in attitude regarding the same among students in particular. The tutors shared their observations gathered during tutorial hours spent on Anti-Ragging awareness.

The ARC received no complaints this year.
